Pastor Robert giving food to flood survivors in DR Congo

Dear GIMI Team Members,

Blessed summer greetings to you in the precious name of Jesus! I pray and trust that you and your family are doing well during these fearful and uncertain days in which we live. I also want to say to all of you pastors and churches that it is my prayer that God is blessing you and your ministry with a great harvest!

I don't know if you have noticed recently, but truly, we as God's people are under constant attack by Satan and his evil forces in our homes, in our places of employment, in our schools, in many of our churches, and yes, in almost every area of our lives. I have been in the ministry for a long time. But friends, I never seen or heard what we are facing in our country today, and also, in other countries as well. Satan is raging because he knows his time is running out (Revelation 20:10), and he is determined to take as many people to hell with him as he can. But for sure, we can still rejoice in the Lord because this Devil is headed for the fires of hell, the place that was created for this evil rascal! But yet, we who are saved are on the winning side because of what Jesus did for us on Calvary!

Because of Satan's outrage and violent attempt to destroy every person and every righteous thing on earth, we who are faithfully serving Jesus must continue to do so passionately and win as many people to Christ as possible

because time is running out! And, I would like to tell you that if Jesus had to deal with Satan on the Mount of Temptation by quoting the Word of God, how much more should we be facing this evil tyrant, called Satan, with the power of the written Word of God, and with the power of the Holy Spirit!

I would like to share with you that in spite of Satan's vicious attacks, God is richly blessing our GIMI Ministry with the greatest year of harvest that I believe we have ever had. I would like to tell you that from January through May of this year, our small team has presented the Gospel message to over 556,575 people in our twelve African countries. And yes, praise God, He has blessed our efforts and given us over 117,293 people who have given their hearts and lives to Jesus Christ. Beloved GIMI support team members, we would never have been able to see so many people get saved were it not for your faithful prayers and faithful giving to help us take the Gospel to so many people.

We must never forget that what we are doing to win so many people to Jesus is a combined team effort of saved individuals, mission minded churches, Christian businesses, precious Senior Citizens, and a good number of children's Sunday School classes. My precious wife and I want to thank all of you dear people from the depths of our hearts for your faithful generosity in this day when so many churches, individuals, businesses, and other Christian organizations have stopped giving because of the Covid Crisis, and its lingering results. We thank you for every gift you have sent to GIMI in the past.

Also, we want to thank you for everything you hopefully will give in the future. With the financial cost of our Radio Ministry airtime climbing, we really need your help. Please just know that we are seeing thousands of people come to Christ through our radio ministry presently. And we are looking forward to seeing multitudes more come to Christ, if God will provide me with the health to keep recording the radio broadcasts.

OUR 2023 GIMI BANQUET WAS A GREAT ENCOURAGEMENT

Let me now mention that on Friday night, June 9th, God gave us a wonderful evening together with a delicious evening meal provided by the Boxcar Grille, the great Gospel singing by Wade Spencer, and a challenging sermon by Dr. David Gallamore. During the evening, we had almost 70 people present, including several family members of our GIMI Board Members and their guests. We also welcomed several pastors who are just now becoming familiar with our GIMI Ministry. We were so blessed by the attendance of these genuine servants of God. We are going to add these God-called preachers to our daily prayer lists!

I would also like to tell you that following our Friday evening Celebration Banquet, we had our second GIMI Board Meeting for this year, 2023. God truly blessed this morning meeting, and, my wife and I came away encouraged about the future of GIMI and our growing ministry. Truly, with so many new doors opening in Africa, and because our new radio ministry is reaching thousands of people with the Gospel message, we surely have a Divine Mandate to keep taking the Gospel

to a lost sin-cursed world with very much love and passion, because our time is short, and Jesus will soon return. As one of my dear preacher friends used to say, "the Great Commission is still the Great Commission until Jesus comes again. Folks, the present population is almost 8 billion people in the world. It is believed that almost three billion of these people have never received the presentation of the Gospel. Therefore, my beloved Christian friends, will you try to help me catch the vision of billions on their way to hell, if they don't get saved? God has given us the Great Commission to go into the world and proclaim the Gospel to everyone on this globe; not just to a small number of predestined saved people who would have been the only ones that could be saved, if our Sovereign God has selected only certain ones and consigned billions of people to hell. Never, never forget the following verses: Matthew 28:16-20; Mark 16:15; Luke 24:46-53; Acts 1:8; II Peter 3:9. All of these verses remind us that we have a Great Commission to take the Gospel to everyone in the world that we can while there is still time!

PASTOR JOEL FRYE WITH HIS RECENT MISSION TEAM IN KENYA

At the time of this writing (Middle of June), my son, Pastor Joel Frye, and a team from his church, Oxford Baptist Church in Conover, NC, are working daily sharing the Gospel with hundreds and hundreds of prisoners, school students, church people, orphanages, and other groups of people at the Coast of Kenya. Pastor Joel and his team started their work in Kenya about 10 days ago. The team started off working with Kenya Missionaries, Jim and Susie Horne. Then, our GIMI Kenya Country Director, Pastor Sammy Mbugua, traveled down from Nairobi to Mombasa, where for the past few days, Pastor Joel's Team has been preaching the Gospel in several prisons in the Mombasa area. Our Coast GIMI preacher, Jonathan Kalama, has been leading the team as they have moved from one prison to another. I would ask you to really pray for Pastor Joel and another team composed of Joshua Frye, Jennifer Reed, Mildred Catron, Gospel Singer Wade Spencer, Clara Hedrick, and Justin and Chelsea Powell. This team has been working in Uganda.

OUR GIMI RADIO MINISTRY IS REAPING A GREAT HARVEST!

Having mentioned our GIMI Radio Ministry in the previous paragraph, I would like to share some more news and information with you concerning our growing radio outreach. I would like to remind you that we restarted our radio ministry back in January of 2022. We had been off the air for a long time. But, with my voice still giving some problems, we began the radio ministry once more. When we started, we were on almost 90 stations here in America, and also, in Africa. This revised ministry really took off with us reaching hundreds of people with the Gospel message. Then, at the end of May, I once again developed another throat problem preventing me from continuing the radio ministry. So, I stopped producing the broadcasts at the end of May. I then had vocal cord surgery whereby my vocal cords received implants. Beginning in September, we once more restarted the weekly broadcast, and once more we began to see thousands of people saved and scores of others who made rededications to Christ. Toward the end of 2022, God really began to enlarge the harvest from the broadcasts. Since the beginning of 2023, we have seen an even larger harvest. We have seen thousands come to Christ, most of which were saved through three stations in Uganda. These three stations are the Dunamis Radio station in Mukono, Grace Radio in Mbarara, and the OP FM Station in Jinja. Of course we are on many other stations. But, because of the extra effort by the managers of these three stations, hundreds of people are contacting the stations when they make decisions for Christ. Then, the stations contact GIMI to give us the wonderful reports. When they contact us, then we provide a Bible and one of my new convert booklets.

Over the past several months we have seen three witch doctors get saved, numbers of Muslims have come to Christ, discouraged pastors have returned to their pulpits, and many backsliding believers have rededicated their lives to Christ because God has given them a second chance. They are now serving God with a passion! Also, broken marriages have been put back together, and many people have been healed of serious diseases. And finally, folks, we have literally had scores delivered from immorality, gambling, drinking alcohol, drug addiction, and yes, a number have been set free from pornography. We are just praising God for this huge harvest of souls through the radio work.

Now, I want to share my heart and ask for your help. Because of my health problems for the past three years, I have not been able to travel to preach the Gospel, or even visit many of our supporting churches. But, with the radio ministry I have been able to carry on an active preaching and teaching ministry. And truthfully folks, I hope to continue this huge ministry of outreach. In order for me to continue this great work for Jesus, we need many of you to consider

giving some more financially in order to help us expand the radio broadcasting to many more stations, hopefully, all over the world! In order for us to pay for this airtime, we need your help! I especially would like to ask many of you church members where JoAnne and I have spent over half a century proclaiming the Gospel and ministering to thousands of church members and hundreds of Christian families, to please help us conclude our years of Christian service winning thousands more to Jesus! We cannot do this without your prayers and financial contributions.

So dear beloved friends, if you can help us enlarge our field of radio outreach, just send these special gifts for GIMI to us and designate them for the radio ministry! We will do our best to keep you abreast of how God is blessing this tremendous outreach arm of GIMI!

WHAT IS GIMI ALL ABOUT?

From that day in 1999, when JoAnne and I made a commitment to Brother Mickey Parrish and his wife, Alice, to take over their African Mission and change the name to GIMI, our main purpose and primary interest and work has been to win people of all ages to Jesus Christ! Since that day, God has had His hand upon this great missions ministry. We have worked non-stop in prisons, schools, churches, orphanages, children's homes, and most recently, in huge South Sudanese and Congolese refugee camps in Northern and Western Uganda. And folks, God has given us a harvest of just over 5,600,000 people who have made first time professions of faith in our Lord Jesus Christ. And, I would like to tell you that this large number is from a multitude of just over 31,612,000. Of course, these numbers not only represent the work that our GIMI workers have done, but also, the work of many missions teams from America, and also, from our huge radio workers in their posts in the stations. Would you please join me in shouting: "Hallelujah! Praise the Lord"?!

To finalize my article for this July/August newsletter, I just want to share two very important messages with you once more. First, on behalf of my precious wife, I want to thank every one of you dear people who have helped us keep this ministry going for such a long time. I want to thank all of you prayer warriors here in America and in our other countries that pray for GIMI and the progress of this great ministry. Truly, we have never been a big organization at any time in the past. Presently, we only have three people working for GIMI here in America. These three are Cathy Little, JoAnne Frye, and this old preacher. But, because so many of you pray regularly for us, we have been able to do big things with the help of our Lord Jesus Christ and the 50 devoted people that work with us presently in our 12 countries in Africa. And, this wonderful help from our Savior and Lord has been given to us because of your faithfulness to pray for us! And, the continual fruitfulness of our people on the ground in our countries in Africa would never be possible without your faithful prayers. So, thank you so much for praying diligently for us, and for our entire GIMI Ministry!

Then secondly, I would like to just mention to you again that God is still opening doors for us in our present countries in Africa, and He is opening more doors for us here in America as well. Also, God is opening many new doors in other countries in Africa where we have never gone before. And, I am especially thrilled at how God is so richly blessing our new radio ministry, especially, in Uganda. With my personal struggle with health issues, it is very hard for me to travel to churches here in America, and for certain, it is impossible for me to travel internationally at this time. Thus, I am so grateful for my son, Pastor Joel Frye, who has volunteered to help us by taking some American mission teams to Africa when I cannot go. Hopefully, when Pastor Joel returns from this present trip, he will be able to write a summary of what God did on the trip through the two mission teams!

GIMI IS STILL LOOKING FOR GOD'S MAN!

I would like to tell you once more that we are still praying for a younger man of God who has a burning call to do mission work, and, to do it with passion and enthusiasm. Also, it is truly my prayer that this new young man might be a soul winner already, and that he will have on his heart what Jesus has on His heart. And, according to Luke 19:10, Jesus had and still does have the desire on His heart to seek lost souls. So, whoever God sends to us, we prayerfully desire that he have the characteristics I have already mentioned to you. But also, I am praying that in addition to the things already mentioned, I pray this new man will have organizational skills, be a self-starter, have a teachable spirit, and that he will be a people person who can deal with people here in America, such as in our churches, and with people in Africa who think and respond differently than we Americans do! Well, enough said on this proposed resume!

Therefore, ladies and gentlemen, if we are going to walk through the many open doors, share the Gospel with thousands of people on the ground, and yes, enlarge our new radio ministry to numbers of additional stations here in America, and also, there in Africa, we have to have the funds to do these things. We cannot carry

SOME VERY IMPORTANT INFORMATION

At the risk of being somewhat redundant, I am including some very important information in the following paragraphs. I am not doing this because I am too lazy or too tired to write some new articles, but just simply to redraw your attention to these following items. I hope you will read the following paragraphs again, and then, remember to pray about the things I have written and discussed before. Please pray diligently about these matters, and then, I hope you and your family and friends will help us walk through the many open doors before GIMI.

THE HUGE CHALLENGE STILL BEFORE US!

on this strong ministry of winning souls without the financial help of our faithful brothers and sisters who want to walk through these open doors with us. Yes, we truly need some large gifts so that we can regularly take care of the airtime, preparatory equipment, and other items of absolute necessity. But also, we need the additional giving of any size gift from all of you individuals and churches. We especially, are asking for more pastors and churches to help us monthly, if you are not presently giving. And, if you are already giving, maybe you and your churches might be able to increase your regular giving. FOLKS, WE DESPERATELY NEED YOUR HELP TO WIN THOUSANDS TO CHRIST. PLEASE DON'T EVER FORGET THAT FOR EVERY \$3.00 WE SPEND, WE SEE A PERSON COME TO CHRIST! I pray that all of you might be able to give some extra in order for us to be able to take the Gospel messages to thousands of additional people! I hope we might hear from you very soon!!!

Still in the King's service,

Dr. Stan Frye

WHICH GLOBAL WARMING ARE YOU CONCERNED ABOUT?

Dear beloved friends, I am sure that every one of you reading this GIMI Newsletter know with certainty that presently the biggest liars on earth are presently living in our country's Capitol, Washington, DC. Never in all of my years as a man of God have I seen such liars anywhere on the scale of those living and lying in Washington, D.C. everyday. Our President is filled with hate and viciousness. No one better ask him a question about anything; especially, if they are in the opposing Conservative party. He responds to every question with a bitter vindictiveness, and he screams with hatred at anyone who asks a simple question. And, because of his instability both physically and mentally, he is often falling everywhere he goes. And too, when he is trying to speak without a written transcript, he almost always says something foolish or even stupid most of the time without even realizing what he is saying. Then folks, surrounding Mr. President, there are scores of homosexuals, lesbians, transgenders, immoral fools and numbers of arrogant, egotistical nuts who are stuck on themselves with absolutely no concern or feelings for those little "Walmart Deplorables," who just are not as big or important as the ruling elite class. And then, all around the President there are those lying infidels who have chosen Climate Change and Global Warming as their fetish religion, while hating or despising genuine Christians. May I tell you that this Global Warming Religion is one of the biggest lies that Satan has ever propagated on this earth! It doesn't matter what truth other scientists tell these ardent fools, they love to push these damnable lies just simply because they can't allow themselves to believe in a real God Who will hold them accountable for their arrogant lies. Mr. Al Gore, got rich propagating the damnable lie of Global Warming. Then, there is that so called former Senator, John Kerry, and Secretary of Transportation, Pete Buttigieg, who fly all over the world in planes fueled by combustible engines that are suppose to be destroying the planet. But yet, this great former Senator and this well-beloved Gay Secretary, are not bothered by sending fumes into the environment from their hundreds of plane trips.

Well friends, I must tell you that all of the huge mountain of lies being told by these Global Warming people are not really telling you about the "Real" Global Warming that is coming to this planet, probably in the not-to-distant future. The discussion of this **"Coming Catastrophic Global Warming" is found in II Peter 3:1-18**. It is here that Peter warns all of the saved Jewish people that fiery hot days were going to come upon the entire world when Jesus returns to the earth in the Rapture of the church, and then, climaxing the Great Tribulation. There will be extreme Global Warming when Jesus comes and purifies the earth with fire following the Millennial Reign of Christ. I want to challenge every one of you readers to study the following outline from **II Peter 3:1-18**, and discover what real Global Warming is going to look like!

"THE COMING CATASTROPHIC GLOBAL WARMING"

SCRIPTURE: II PETER 3:1-18

- A. The signs include escalation of negligent saints. vs. 1-2
- B. The signs include escalation of nasty scoffers. vs. 3-4
- C. The signs include escalation of naive skeptics. vs. 5-7

II. NOTICE THE SLOWNESS OF IT'S COMING. vs. 8-9

- A. This slowness is because of the Sovereign calculation of God. v. 8
- B. This slowness is because of the sympathetic compassion of God. v. 9

III. NOTICE THE SURETY OF IT'S COMING. v. 10a

- A. It is sure because of the infallibility of Biblical truth. v. 10a- 1

IV. NOTICE THE SKETCH OF IT'S COMING. vs. 10b;11a; 12b;13

- A. This catastrophic global warming is pictured as a complete devastation. vs. 10b; 11a; 12b

- C. To prepare, saints must be steadfast. v. 17
- D. To prepare, saints must be seasoned. v. 18

PLEASE PRAY FOR THE SURVIVORS OF THE RECENT FLOODS IN THREE OF OUR AFRICAN COUNTRIES!

Before moving on to finalizing our GIMI Newsletter this time, I want to mention a horrific tragedy in three of our African countries where we work. These three countries are the DR Congo, Burundi, and Uganda. Just about six weeks ago, torrential rains came down from the sky into the Rwenzori Mountains of the DR Congo, into the rivers running into Lake Kivu, into the rivers running into Lake Victoria in Burundi, and into the rivers flowing into Western Uganda. In just the DR Congo, over 7,000 people are still missing, while hundreds and hundreds of bodies have been discovered. In addition to the tragic loss of life, thousands and thousands of huts and homes were destroyed, leaving the hundreds and hundreds of survivors left with not-even-the basics for living. The multitudes of survivors coming out of the floods are now living in churches, school buildings, and other kinds of facilities still standing after the devastating floods.

I would like to tell you that our three GIMI preachers and their families in the DR Congo did survive these horrible flood-waters. And now, with GIMI help, they are trying to help share the love of Jesus with hundreds and hundreds of suffering people. In addition, our preachers in Burundi have been ministering to hundreds of people who survived the floods in this beautiful country. Then, we have a good number of our workers ministering to those who survived the flood in Western Uganda. God has really been helping us to share thousands of dollars to purchase the basic items for living. These hundreds and hundreds of items include such things as clothing, blankets, many utensils needed for cleaning, for cooking, toilet paper, soap, food such as rice, corn meal, cooking oil, bread, bottled water, and many other items such as medicine. We are trying to help alleviate as much suffering as we possibly can with the love of Jesus. But folks, GIMI can only help these hurting people as God provides the funds to help purchase so many needed items. **I WOULD LIKE TO ASK ALL OF YOU MEMBERS OF OUR GIMI SUPPORT TEAM TO REALLY PRAY ABOUT HELPING US WITH SOME VITAL FUNDS SO THAT WE CAN PURCHASE THE ITEMS TO HELP THESE PEOPLE GET STARTED REBUILDING THEIR LIVES! JUST SEND THE LARGEST GIFTS YOU CAN TO GIMI AND DESIGNATE THEM AS FLOOD NEEDS!** We are going to do everything we possibly can to keep ministering to these suffering people as much as God provides, and we will be sharing the Gospel message with every recipient of the items given to them! I hope and pray that hundreds of you dear friends of GIMI will join our efforts to help rescue and hopeful get them back to a point of good living!

UGANDA RADIO MINISTRY UPDATE

GIMI received this e-mail testimony that came in from our radio ministry in Uganda:

Good morning pastor ,my name is martha a sister to Hilda I am writing to express my deepest gratitude for the book of depression and the Getting started book you gifted us, pastor we got the books and the bibles From sister Esther from Dunamis Radio, she came and she came at our place to deliver the books and the bible and also we had a session of prayer with her.

We have already begun delving into the book's wisdom. I am confident that it will be a valuable resource in our journey towards understanding and overcoming this challenging aspect of life.

its comforting to know that you are walking beside me and my family, providing spiritual support during this trying time of depression and witchcraft in my family. Your prayers are a source of strength and encouragement for both me and my family.

In light of this, I would like to humbly request that you continue to uphold us in prayer. Pastor something big is almost

happening in my family, my father and my Aunt have been among the top witches in th community amazingly on Sunday they gave their lives to Jesus from Dunamis Radio as we did and have come up with a decision to burn the 2 shrines each hard and we asked sister Esther to help us Please pray for our family's overall well-being unity.

Additionally, we seek God's guidance in finding joy and peace amidst the trials of depression.

May the Lord bless you abundantly for your selfless service and the love you pour into the lives of others. I firmly believe that through your prayers and God's grace, we will experience His healing touch from depression and witchcraft and find the strength to overcome every obstacle that comes our way.

Once again, thank you for your thoughtful gift and your continued support through prayer. We will keep you updated on our progress and the grace of God in our lives.

May God bless you abundantly
