Pastor Kamanda praying with prisoners in Liberia for them to be saved. Sharing gifts from GIMI.

Dear GIMI Friends and Team Members,

Blessed spring greetings to you in the precious name of Jesus! I pray that you and your beloved family are doing well as we march into spring, with hopefully, a new excitement about what God is going to do in our lives, in our families, in our churches, and especially in our declining American nation. I pray that this hope and optimism will overshadow the horrible debauchery and wickedness that has gone on in America for the past three years. And, I would say for all of our dear beloved brothers and sisters in Africa, in the war-torn Ukraine, and in many other troubled countries where we are trying so hard to share the Gospel, yes, things are very discouraging all around us. But, we do know that the Bible has predicted this Satanic initiated and inspired vicious activity will increase dramatically just before the return of our Savior. Thus, we need to be very vigilant, totally surrendered to Christ, and passionately active trying very hard to win all

of our beloved ones to Jesus, and, we need to be actively engaged in helping to take the Gospel to the lost world, for time is running out. Therefore, we must be spending much time with Jesus in prayer, and, we must live everyday ready to repent of all of our daily sins as believers, in order for us to have the constant filling of the Holy Spirit so that our efforts will not be in vain as the result of them being done in the flesh. Please read **Romans 7:15-25**. These verses will tell you about the constant struggle Paul the Apostle had with the battle between the works of the flesh and the works of the Spirit. Paul truly knew that there is no victory in the flesh. But, the victory is only through the Spirit of God. Therefore, if we are going to be victorious in this battle with the flesh, and in dealing with the constant attacks of Satan during these remaining days just before the return of Jesus, we must have been baptized into the body of Christ through the Holy Spirit, and, we must daily be filled with the Holy Spirit in order for us to draw closer to Jesus and be empowered to carry out God's purpose for each of our lives as believers.

Jesus Is Truly Alive!

Today I am not going to take up much space writing about the resurrection, because I have just written a long exegetical study on the resurrection, entitled, "**Jesus Is Alive.**" (If you would like a copy, just let me know by writing me by e-mail. My address is: gimi@charter.net. I will be glad to send you a copy of this resurrection message absolutely free.

For 58 years of full-time ministry, I have always looked forward to the celebration of Christ's resurrection. I don't call it Easter, because it was the Catholic Church that stole the word Easter from a Babylonian religion, which worshipped a female goddess named Ishtar. Then, down through the years, millions of people have falsely adopted this name giving recognition to a goddess of an extremely false religion. So, I would rather celebrate the resurrection of Jesus, than to give recognition to a false and phony goddess. But, I love the celebration of the resurrection, because our Savior is truly alive magnificently today. You may sometimes be like me when I might doubt about whether He is alive due to the proliferation of evil in the world. But, He did rise from the dead, and this resurrection Lord is soon coming again. Yes, He willingly died on the cross for all of our sins, but He didn't stay dead. He is forever alive, and according to **John 11:24-27**, Jesus is the resurrection and life for every born-again believer. Let me give you these verses: "**Martha saith unto Him, I know that he (speaking of Lazarus), shall rise again in the resurrection at the last day. Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this? She saith unto Him, Yea, Lord: I believe that thou art the Christ, the Son of God, which should come into the world.**" Folks, these are some of the greatest words ever found in the Bible. Because of what Jesus did for us when He died on the cross, and arose from the dead, we need not fear dying. **You see beloved friends, because of what Jesus did when He arose, we win!!!**

Since I initially mentioned earlier the tremendous evil in our world today, before closing this long introduction, I would like to share with you another extremely important Scriptures that gives us a vision of the evil that is coming our way just before Jesus returns to get His bride. Please read the following verses to get prepared for what to expect here at the end times of the end times. "**This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good. Traitors, heady, high-minded, lovers of pleasure more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away. For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, ever learning, and never able to come to the knowledge of the truth.**" (II Timothy 3:1-7) Folks, if this is not a perfect example of where our world is right now, I don't know what would be! **But hear this, with all of this massive evil and debauchery all around us, as I just stated about the resurrection, we are still on the winning side.**

“God Gave GIMI A Huge Harvest In 2023”

Most of you dear friends who are regular readers of our newsletter know that my precious wife and I have been working in Africa since 1985. We have traveled millions of miles in this awesome effort to win multitudes for Christ. We can bow on our knees and lift up our hands in prayer and worship Jesus for the unique privilege He has given us to represent Him and His Kingdom for this long period of time. And, in spite of the naysayers (like a staff member in a church in Spring Lake, NC) who tried to promote doubt with other believers and churches to give an excuse for discontinuing support for this great Modern-Day Book of Acts Ministry, God has truly blessed GIMI with a huge harvest of souls for the past 24 years. It is absolutely unbelievable how God has poured out His Spirit to bless all of our workers in all of our African countries. **During the past 24 years since JoAnne and I took over this wonderful ministry from Brother Mickey and Sister Alice Parrish, GIMI has shared the Gospel with over 35 million people with just over 6.3 million of these dear people making a first-time decision to follow Christ. Then, I want to tell you that already in January of this year, our GIMI team members have already presented the Gospel message to 113,292 people with 25,364 of these precious people making first-time prayers to be saved. This would be a good time to shout glory hallelujah and praise to His mighty name!**

Yes, dear friends, truly, truly, God is the One to be praised and glorified for this huge harvest of souls coming to Jesus. But, this could never have happened were it not for our devoted and faithful workers in all of our African countries, plus, in the war-torn Ukraine. Without a doubt, God has given to our ministry some of the most devoted people that I have ever seen during my pastorate of thousands of people in eleven churches! Also, I must tell you that none of this precious ministry

would have ever been possible, were it not for the prayerful loving sacrificial giving of so many of you dear people to GIMI! I want to tell you emphatically that not only has God used our field workers, our American staff and mission teams, but, He has gloriously provided a huge amount of dollars to keep this ministry going after lost souls. And, as I have told you many times before, I desire that God's truly saved people will have on their hearts what Jesus has on His. Notice this Scripture found in **Luke 19:10, "For the Son of man is come to seek and to save that which was lost."** We as God's children must come to understand that the main reason God gloriously saves us is to place on our hearts what Jesus has on His; the lost souls all around us, and yes, all around the world! And, He saves us to place us in His soul-winning army to help take the Gospel message to as many people as we possibly can in the time we have left before He returns! And, as I have told you many times in the past few years, there are over two billion people yet in the world that have never heard the simple plan of salvation. Presently, we are told that there are 8 billion people in the world, of which there are 2.3 billion professing Christians, and 1:8 billion Muslims. And, while Christianity is declining, the Satanic inspired deadly Muslim religion has been seeing explosive growth since back in the 1970's. Therefore, my beloved friends, can you understand why and how my burden for lost souls is so overwhelming. Just a few days ago as I was watching my beautiful great grandchildren playing in our family room, I began to think about the world these beautiful children are going to have to live in if Jesus tarries His return and God doesn't send a spiritual revival. So, every day when I get out of bed stumbling around because of my health problems, the only thing I have on my mind is how can we reach more lost souls for Christ. The greatest joy of my heart is to see lost people get saved while there is still time!

We Have Now Restarted Our Radio Ministry!

By the time you receive this newsletter, we will have restarted our GIMI Radio Ministry. In fact, we restarted broadcasting again back on the first weekend in February. We are truly excited about what God is already doing through the radio ministry. For instance, on many of our weekend broadcasts in Uganda, God is giving us hundreds of people getting saved. We know this because after these precious people pray to receive Jesus, most of them will contact the stations and let us know that they have gotten saved. Then, our radio personnel contacts these new converts and gives each person a Bible and one of my "Getting Started Right" booklets.

Some of you might be wondering about my health concerning my ability to do the broadcasts. Well yes, I am still having many health problems! But, because we have been so blessed to see so many people come to Christ through this ministry in the past, I wanted us to restart the programs so that we might be able to see thousands come to Christ through this demanding ministry. **I would beg each of you to please spend a lot of time in prayer for our radio ministry, plus, I plead with you faithful supporters to please consider sending us some designated funds to help us financially. Radio airtime is very costly. But, when we see thousands come to Jesus, I would say that this expense is truly worth it! So my dear beloved friends, if you can give some extra, I believe we will be able to expand the radio broadcasts**

to many new stations. If you want to give directly to the radio ministry, just make your checks out to GIMI, and designate them for the radio ministry. And, I want to plead with some of you pastors, church leaders, and Christian business people, to prayerfully consider giving some large gifts to help us really reach thousands and thousands of people with the Gospel message! If you have any questions, please let me know!

Please Be Blessed By The following Testimonies!!

I. Testimony One: By: Isaac Kasumba

I greet you pastor in the mighty name of Jesus Christ not just as a teacher, but as a redeemed soul, renewed by the grace of God through your teaching/ preaching at Dunamis radio. Today I have had another chance to hear you preach and pray for us, My journey has been one of highs and lows, of moments of faith and periods of doubt, but through it all, I have found my way back to the path of righteousness through your preaching.

My name is Kasumba Isaac, a teacher at Talents vocational school in Zigoti, I have witnessed the transformative power of faith first-hand. I once found myself drifting away from the path of righteousness, lost in the temptations and distractions of the world. But after hearing you preach at Dunamis Radio, I have been brought back into His embrace, filled with a renewed spirit and purpose after your prayers last weekend. I re-confessed that Jesus Christ is my Lord. I was consumed by the pressures of academic success, peer expectations, and the desire to fit in society. Slowly but surely, I began to compromise my values and beliefs, trading the light of God's truth for the fleeting pleasures of this world. I found myself slipping further and further away from the teachings of Jesus, indulging in behaviors and habits that were contrary to His will.

In my pride and arrogance, I believed that I could navigate this world on my own terms, without the need for God's guidance or intervention. But as the days turned into months, and the months into years, I found myself trapped in a cycle of emptiness and despair. Despite outward appearances of success and accomplishment, I was plagued by a deep sense of spiritual emptiness and longing and with a lot of problems with my family. It wasn't until I hit rock bottom, facing the consequences of my choices and feeling utterly lost and alone, that I realized the gravity of my situation.

In my darkest hour the morning of last Sunday, I heard you preach at Dunamis radio and hence God gave me a second chance. I contacted Sister Esther at Dunamis Radio and she told me that she had my gifts from you.

Pastor from your preaching last Sunday I heard you mention about the commentary of Corinthians. Can I have some copies, please? Do you have other teaching books that I can give out to my students and teachers?

Since now that I am revived and that I am given a second chance, I want the Gospel of Christ to reach every corner at this school and to all my fellow teachers leading their spiritual nature. May God richly bless you and continue to pray for me. Thank you pastor!

II. Testimony Two: By: Julius Ssesaazi

Am Julius Ssesaazi, a seller of silver fish, my life is transforming through the Dunamis radio. Before I found Jesus Christ, I was burdened with debts that seemed insurmountable. Each day I could come to sell the silver fish, not just for sustenance but also in hopes of catching a break from the financial struggles that are weighing me down.

Then, on the last fateful Sunday of the 4th of this month, I encountered the love and grace of Jesus Christ on Dunamis radio. Through your prayer, I found a newfound strength and resilience. With unwavering faith, I believed that no challenge is too great for God to overcome. I dedicated myself to living a life of righteousness and trust, knowing that God would provide for my needs.

Miraculously, doors have begun to open. Opportunities I never imagined have started to surface, and I am finding favor in unexpected places and am making lots of sales for my silver fish, am paying off my debts, and I have taken my children back to school. With gratitude overflowing in my heart, I want to thank you so much for your continued prayers and preaching. Today, I stand a living testimony to the power of faith and the transformative love of Jesus Christ. Long live pastor, long live Dunamis radio!

Is God Calling You To Make An Evangelism Mission Trip To Africa?

Dear Beloved compassionate Christian, have you ever been on a soul winning mission trip to anywhere in the world? Well, if you have, would you seriously consider making another trip to the beautiful continent of Africa? And, if you have never made a mission trip, let me encourage you to prayerfully consider going with my son, Pastor Joel Frye, on an Evangelism and Training trip to Kenya and Uganda **May 23-June 10, 2024**. I am very proud of Pastor Joel because of His devotion to Jesus in helping to fulfill the Great Commission. Presently, Pastor Joel is pastoring Oxford Baptist Church in Conover, N.C. where he has been pastoring for 25 years. Oxford Baptist has grown significantly under Pastor Joel's leadership. And, even during these years as a local church pastor, Joel has really been faithful to help his deteriorating father with the huge ministry of Gateway International Missions. Down through the years, Pastor Joel has made several trips to Africa to help his mother and father carry on this growing ministry. Then last June, after a lot of the Covid restrictions had died down, Pastor Joel took the entire month and led two mission teams to Kenya and Uganda. God really used these teams, and, thousands of souls were saved! Now, Pastor Joel feels led to go back to Kenya and Uganda again this coming late May or early June. Therefore, if you are genuinely saved, if you are a devoted believer, if you attend a soul winning church, and if you are willing to put your fearfulness down under the blood of Jesus, we would love to consider you as a partner with Pastor Joel and his teams. If you seriously feel that God is touching your heart and calling you to make a sacrificial mission trip to help win scores of people to Jesus, we would love to hear from you immediately. **You need to contact us right away, because time is short to get everything prepared for the trip!** You may call me personally at my home phone: **828-635-8866**. Or you may want to call me on my cell phone at: **828-455-7164**. Also, you can call our GIMI Office at: **828-632-2344**, and tell our new Office Manager, T.J. Patton, and tell her what you are prayerfully considering. **Then too, you may want to call Pastor Joel at: 828-781-0359, so that he can answer your questions to help you make the decision about this journey for Jesus.** Pastor Joel can provide the information about the upcoming trip, such as projected costs, medical requirements (like needed shots, pills, etc.), legal requirements, do's and don'ts, etc. **Then, you will need to fill out some forms to help us decide if you are ready to make this journey for Jesus!** We truly welcome you to help us continue taking the Gospel to a lost and dying world! **So, if God is calling you to make this safari for Jesus, please contact us right away!**

Let me close by telling you that truly, God has really used the mission teams that have gone to Africa with us down through the years. In fact, my wife and I have taken over 300 people to Africa in the past 23 years. And praise God, He has given our GIMI teams a great harvest of souls! So, in view of the fact that my health is not allowing much travel these days, I do pray that some of you dear GIMI friends and supporters will consider joining our son in helping us to continue telling the world about Jesus! **I will close by telling you that if you join Pastor Joel and the teams, you will come home never the same again!**

THE HUGE CHALLENGE STILL BEFORE US!

At the risk of being repetitious, I am going to finalize my article for our GIMI newsletter once more by sharing two very important messages with you again. First, on behalf of my precious wife, I want to thank every one of you dear people who have helped us keep this ministry going for such a long time. I want to thank all of you prayer warriors here in America and in our other countries that pray for GIMI and the progress of this great ministry faithfully. Truly, we have never been a big organization at any time in the past. Presently, we only have three people working for GIMI here in America. But, because so many of you pray regularly for us, we have been able to do big things with the help of our Lord Jesus Christ and the 50 devoted people that work with us presently in our 12 countries in Africa. Then too, when we have our special mission teams that are willing to sacrificially take the long trips to Africa, (like Pastor Joel and his two recent teams) from time to time to help us present the Gospel message, we are then able to see hundreds and hundreds more people get saved. And, this wonderful help from our Savior and Lord has been given to us because of your faithfulness to pray for us, and to give consistently financially to this to help us with this great work for Jesus! Then secondly, I would like to just mention to you again that God is still opening doors for us in our present countries in Africa, and He is opening more doors for us here in America as well. Also, God is opening many new doors in other countries in Africa where we have never gone before. And, with my personal struggle with health issues, it is very hard for me to travel to churches here in America to raise funds for our ministry. Therefore, I do pray that many of you might really be inspired of the Lord to help finance this wonderful work that God has given us down through all of these years.

Also, for certain, it is impossible for me to travel internationally at this time. Thus, I am so grateful for my son, Pastor Joel Frye, who has volunteered to help us by taking some American mission teams to Africa when I cannot go. As I told you, Pastor Joel will be taking another team to Africa again this year. Since Pastor Joel is taking another team, I am sure that some of you might like to prayerfully consider going with him, while others of you might like to give some extra funds to help with the enormous expenses for these trips!

Make Your Plans For Our Celebration Banquet Scheduled For Friday evening, June 7, 2024!

Before closing my large article in this edition of our newsletter, I want to extend a personal invitation to all of you faithful prayer warriors and regular contributors to come and attend our 24th year Harvest Banquet and Celebration, scheduled for Friday evening, June 7, 2024. We are really looking forward to a wonderful evening with a delicious dinner, music concert by Brother Wade Spencer, some beautiful songs by Carson and Madison Edwards, and a challenging message from God's Word by Dr. David Gallamore, Pastor of the great Rock Springs Baptist Church in Easley, SC. We surely would love to have every one of you attend with your family and friends if it is at all possible. Last year we had 70 people attend at our headquarters here between Taylorsville and Hickory, NC, near Lake Hickory. This year if we have more than our worship center can accommodate, we will conduct the banquet and special evening at a nearby church. I am praying that we will have the largest attendance that we have ever had down through our 24 years. There is no cost for the meal or celebration. But, we must have your name, your address, and the number of people you will bring with you, so that we will know how many meals to provide. Just contact our main office and give your information to T.J. Patton, our new Office Manager. Then too, I want all of you GIMI Board Members to attend the celebration evening, and of course, our annual GIMI Board Meeting on Saturday morning, June 8, 2024, as well. My wife and I really look forward to seeing all of you for the Harvest Celebration, and to seeing all of you GIMI Board Members for the board meeting! If you have any questions, please let us know. Well, I believe that by now, you believe it is time for me to stop writing. Therefore, I am stopping, although I would love to go on writing for a long time to talk about the glorious privilege God has given to my precious wife and me to be a part of this marvelous ministry for so long. Surely, God has had His hand upon this work since its very beginning. And, I pray that He will continue to do so indefinitely! Please know that JoAnne and I love you so very much!!

THE NEED FOR YOUR FERVENT PRAYERS

Beloved prayer warriors, I am going to close my newsletter article this time by asking you for your fervent prayers for Pastor Mayno Payne's family in Zambia. Most of you already know that during December, Pastor Mayno was on his way to visit prisons to share the Gospel and to provide many humanitarian items for the prisoners and other very needy people, when his small vehicle was hit by a speeding tractor and trailer truck that took his life. We can only imagine what his dear family is going through right now.

Also, I would ask you to keep fervently praying for Brother Sammy Mbugua and his wife Rose, and for their son Andrew' two surviving children. I am sure most of you know about their son, Andrew's untimely death in the state of Washington. Sammy and Rose were able to get the body brought back to Kenya for burial, where Sammy is our GIMI Country Director. Just really lift them up to Jesus in prayer! Finally, I want to mention that for the past several years, our GIMI Ministry team in the DR Congo has been going through hell on earth. There are many terrorist groups up in the Rwenzori Mountains of the DRC. However, one of these groups is known as the M23 terrorist group, and this group has been diabolically vicious toward the families in this area; especially Christians. These wicked people have killed literally thousands of people. And, they have forced thousands and thousands to flee the country, and they are now living in refugee camps. We have three pastors and their families that live up in these mountains, and, every day they are faced with horrible threats, robberies, injuries, and deaths. Please pray for the destruction of M23, and for the safety of our Christian teams who are so faithfully still continuing to present the Gospel!!

Still in the King's service,

Dr. Stan Frye
President of GIMI
Matt. 9:35-38
