## **FROM THE PRESIDENT'S DESK...**

Dear Beloved Friends and Supporters of GIMI,

Gracious summer greetings to you once more in the name of our precious Lord Jesus Christ! I do pray that you are safe and well during these viciously wicked days in which we are living. In our last newsletter, I talked about "just how much time does America have left," and I discussed the impending judgment which is coming upon our nation as it did during the days of the Roman Empire. The same things that happened to Rome are happening right before our very eyes here in America, and the terrible disease which is running rampant all over our country and spreading into the rest of the world is not Covid 19, believe it or not! But, it is the vicious disease of escalating sin in the lives of thousands and thousands of sinful men and women who are trying to live in a fantasy world that never can be. It is a world of reactionary anger and violence, brought on by the vicious acts of egotistical white police officers who kill black people at their discretion, and it is an impulsive bitter and emotional response by black and white

people who are willfully ignorant of Biblical truth which teaches respect and forgiveness of others regardless of who they are.

Then, as I talked so much in the last newsletter, one of the main reasons for Rome's fall and destruction was the poor weak leadership that tried to run the country, but while they were trying haphazardly to run the country, they ran it straight down into the ground. I am sad to tell you that this is the very thing that is happening right here in America today, at the time of this writing.

If the Covid 19 plague was not enough to bring America to her knees, Satan decided to use vile and wicked leaders, both black and white, to bring about a hellacious uprising and revolution in our great country promoted by anti-God and self-promoting narcissistic ignorant people like Rev. Al Sharpton, Rev. Jesse Jackson, Governor Tim Walz, Mayor Jacob Frey, Mayor Lori Lightfoot, Mayor Eric Garcetti, Governor Andrew Cuomo, and Mayor Bill de Blasio, along with many others who show no signs of a personal relationship with Jesus. Yet they have convinced themselves that they know what is right and what should be done in every situation. According to these people, anarchy and revolution are both fine and the Police, the National Guard, and the American military are not needed. So, while these ignorant and anti-God people say that they can handle these rough situations, our cities are burned and destroyed, businesses are looted and brought to nothing, and people are still getting killed on our streets, including great policemen and policewomen.

Now, let me give you just two illustrations of why I say this. When Governor Andrew Cuomo of New York was giving his daily updates on the Covid 19 virus, one day he said, "Well, we are now flattening the curve, and

prayers to God had nothing to do with it." Then, I heard Mayor de Blasio say, "Well, we are moving ahead right in the midst of this virus, but our fate is in our own hands." In other words, these wicked people don't acknowledge the need for God because they believe they are smarter than God, if He really exists. They don't need anyone telling them what to do or trying to offer them help—especially if it is President Trump, whom they hate so much! So, we have all of these ego-centric people, with no teachable spirit among them, who are trying to build and keep their power by giving into and placating mean black and white people, who desire nothing else but to completely destroy this nation, which was built upon the Word of God. They hate God, and they hate anyone that disagrees with them in any way. Therefore, these vile, sinful, wicked, and depraved people have come to the point where many of the Israelites did during the days of the Judges. The last verse of the **Book of Judges** says, **"...every man did that which right in his own eyes."** Folks, this is where we are right now in America, and if there is not a return to God, a repentance of our wickedness, and a brokenness which brings us to our knees, begging God for His mercy and grace, soon there will no longer be a beautiful country called America!

Let me give you some Scriptures that vividly describe our country right now. These are two long passages, but we need to read these verses over and over and see that this is where we are presently on the time table of God.

***"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; Because that which may be known of God is manifest in them; for God hath showed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse: Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. PROFESSING THEMSELVES TO BE WISE, THEY BECAME FOOLS, AND CHANGED THE GLORY OF THE UNCORRUPTIBLE GOD INTO AN IMAGE MADE LIKE CORRUPTIBLE MAN, AND TO BIRDS, AND TO FOURFOOTED BEASTS, AND CREEPING THINGS. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves. Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed***

***forever. Amen. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind to do those things which are not convenient."*** (Romans 1:18-28)

The second passage is found in **II Timothy 3:1-9**. Please notice this serious warning that Paul the Apostle gave to the young preacher, Timothy, concerning the last days before the coming of Christ. ***"This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, high-minded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away. For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, ever learning, and never able to come to the knowledge of the truth. Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith. But they shall proceed no further: for their folly shall be manifest unto all men, as their's also was."***

My dear friends, if this Scripture doesn't describe what is going on in America right now, there is none that does. We are living in this terrible day which Paul the Apostle warned young Timothy about in the last message he ever sent to him at Ephesus. What we have been seeing during this Covid 19 lockdown and in recent weeks, during this time of the rioting liars, false accusers, traitors, heady, high-minded, lovers of pleasure more than lovers of God, are the very things that Paul warned young Timothy about. Truly, our beautiful country is filled with violent wicked people that seemingly hate everybody and God Himself, while they claim to have this form of Godliness. We are in the worst time of lawlessness that I have witnessed in my 72 years. Why, even the civil rights confrontations and riots of the 1960's were nothing compared to the senseless and willful ignorance of those who have tried to take the horrible death of a criminal man in Minnesota and make him a martyr upon which to build

a false and phony cause. I say this emphatically because I have just completed my new book entitled **"The Willful Ignorance and Blatant Denial of the Curse of Ham"**. (This book will be out very soon.) In the research for this book, I came to clearly understand that although some black and brown people are mistreated here in America, it is nothing like we are being told. Right now in America, 13% of our population is black, while over 40% of the prisoners in our prisons are black. Now, there are those who say this number would not be so high were it not for the mistreatment of these black people, but the facts don't back this argument at all. Those who defend this argument are lying, and they are making willful false accusations. We must understand that evil people don't want the truth, unless it is the truth they agree with.

For instance, right now in America over 70% of black children are born illegitimately without a father in the home. Therefore, is it any wonder that these black mothers have to struggle in order to try and bring up their children without a husband or father to support them? Then, is it any wonder why so many black children in the inner city ghettos are led into the horrible gangs and drug groups just because they are looking for a male role model, which they have never had? Then, please consider this! "Black women in America make up 14 percent of the childbearing population. Yet 36% of all abortions are obtained by black women. At a ratio of 474 per 1,000 births, black women have the highest ratio of any group in the country." And, please pay attention to this. "A study by Protecting Black Lives, in 2012, found that 79 percent of Planned Parenthood's surgical abortion facilities are located within walking distance of minority communities."<sup>1</sup>

So, my dear friends, it is very easy for present black people to always consider themselves victims because of American slavery back in the 19th Century. But, it wasn't the whites that started black slavery. It was African chiefs who warred with their neighboring tribes. When one chief came back victorious over the other, the victor would usually capture young black men and women from the other tribe and then take them and sell them to Arab slave traders, who then took them and sold them to European white people, who then in turn often sold them to American plantation owners. This slavery was and ever shall be a horrible thing, but it wasn't started by white people. And by the way, most of the slave owners who owned the plantations, especially in the south, were usually Democrats. In these days when Nancy Pelosi and Joe Biden are talking

about the mistreatment of blacks by the Ku Klux Klan, they fail to tell you that this horrible Ku Klux Klan was started by Democrats in the South. So, I think it is about time that we get our information correct!!

By now, some of you dear readers of our newsletter are probably asking, "Why is Brother Stan talking about this stuff?" Well, the truth is that America is in deep trouble, and we must have a Divine intervention of God Almighty in revival power to bring all of us on our knees and allow God to show us the truth, rather than listen to a screaming man or woman with a bullhorn trying to tell us what is right and what is wrong. It is not enough to tell others what is right, but it is far more important to show others what is right by the way we live and conduct ourselves righteously with others. I must tell you that if we want the truth, we must go to God's Word and not to our angry violent friends or neighbors. We must get on our knees and beg God for genuine heaven-sent, sin-killing, devil-defeating, and hell-shaking revival if we are to salvage what is left of our great country. I pray that you will join Jo Anne and me in praying for divine intervention at this time in America, which will result in a transformational revival that will change our personal lives, our families, our churches, our schools, our communities, our states, and yes, our nation as a whole! As Dr. A. W. Tozer used to say, "God is much more ready to send revival than we are to obey for revival." Let's stop and think about that statement for quite a while.

---

# WE OWE A GREAT TRIBUTE TO OUR AFRICAN WORKERS!

As I move on with this newsletter, I just want to slow down for a moment and tell all of you how privileged Jo Anne and I are to continue to head up this great GIMI Ministry. She and I have worked in Africa non-stop for the past 35 years. For the past 20 plus years, we have headed up this wonderful God-blessed ministry since we took it over from Mickey and Alice Parrish of Jacksonville, Florida. Brother Mickey has gone on to heaven, while Sister Alice still lives in Jacksonville. Truly, we have loved Mickey and Alice so very much down through the years, because they trained us to head up this ministry, which was then given to us. When we became in charge, the ministry was called the African Mission, and then, later, we changed the name to GIMI. So, we owe so very much to Mickey and Alice!

But now, I need to tell you that even with the support from all our American friends and supporters here in our country, this ministry would never have become what it is without the faithfulness and dedication of all of our African workers. So many of you dear people have been with us for years and years, and you have worked so faithfully. During these past 20 years, very few of you have ever complained much at all, but instead, you have encouraged us, prayed for us devotedly, and always been ready to do whatever you could to help us keep telling our African countries about Jesus and how to get saved. Because of your faithfulness, our entire African team and our American mission teams have shared the beloved Gospel of Christ with just over 12.5 million people with 3.3 million first-time professions of faith in Christ. Also, believe it or not, our small ministry has raised and distributed in Africa over 32 million dollars worth of ministry support and humanitarian assistance during the past 20 years. This amount has included rebuilding the inside of three prison hospitals in three African countries with the precious help of Samaritan's Purse in Boone, NC. For the past 20 plus years, GIMI has provided a huge amount of Christmas gifts and food for the prisons in all of our countries, including of course, the many cows we have purchased at Christmas to provide meat for the prisoners in Uganda.

Therefore, my dear GIMI team member, you have been a part of one of the greatest miracles that God has ever given to a group of his servants. Jo Anne and I

have had the privilege of witnessing a "Modern-Day Book of Acts" miracle right before our very eyes. I want to thank every one of you prayer warriors for your faithfulness in praying for us and this ministry. I want to thank every one of you who has given financially to this great outreach program. We thank those who have given the large gifts, and we also thank every one of you who may have only been able to give a small gift. Our precious Lord Jesus is truly keeping the records, each of you will be gloriously rewarded for your investment in this work. The verse of **Luke 6:38** is still very much alive and promising to us as it was in the day when Jesus gave it to his disciples and multitudes of others in His great Sermon on the Mount. Why don't you read this verse, and claim its promise to you for your giving! ***"Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again."***

In other words, folks, we can't possibly out give God! For the more we give to Him and His work, the more He has promised to continue blessing us so that we can continue to reap the great harvest of souls. So, I want to thank all of you who have given so generously, and I pray that you will continue to do so. Truly, the more God provides for us, the more we will be able to do in reaching men, women, boys, and girls with the Gospel. Also, the more God provides, the more we will give to those who are suffering so much in Africa, and yes, in other countries as well, including right here at home in America.

Before moving further into this newsletter, I do want to tell you that in this edition of our GIMI Newsletter, we are going to include the photos of a large number of our African and Ukrainian workers so that you can see the pictures of those you need to pray for each week. I hope this tribute to our workers will also be a blessing to you, our other faithful team members.

## WE ARE REVIVING GATEWAY INTERNATIONAL BIBLE COLLEGE ONCE AGAIN!

I believe that all of you readers who have been following the work of GIMI closely for the past several years know that a few years back we started the Gateway International Bible College to help equip God's servants to become greater men and women of God in His service. We had Thursday night classes here in our GIMI Headquarters Building with a maximum of nine students in class. However, we did eventually enroll over 40 students in Africa who worked with us on external classes—some faithfully, and some not too faithfully. I have no doubt but that God led me to begin this Bible College, but with so many health problems, I eventually had to discontinue the courses and classes at my doctors' recommendation. So, we stopped the classes, but I haven't felt good about this ever since we did stop the college work. I am totally convinced that God wants us to help prepare His servants to preach and teach the Gospel, learn how to build churches, do Biblical counseling, learn to be spiritual leaders, and most of all, to get a genuine burden to win lost people to Christ. I am so burdened about this that sometimes I can't even sleep at night. Therefore, after much prayer, we are going to restart our Bible College work. But, we are going to change the methodology somewhat to help lighten my workload.

What we are going to do is to try to re-enlist all of our external students in Africa and here in America to get back to doing their **FREE TUITION COLLEGE WORK!** Instead of my trying to handle all of the incoming work as I did before, I am recruiting pastors here in America to help mentor these external students. Every student will be assigned his or her own mentor, and the student will work with this mentor until he or she graduates. I will oversee the entire operation and try to make sure that all of our mentors have the needed courses, syllabi, and other instructional material ready for the work they will do with each student. I sincerely believe that this methodology will not only relieve me of a lot of my demanded workload, but it will also help to build strong relationships between the mentors and the students. Our GIMI Vice-President, Dr. Tommy Snyder, down in Mississippi, will be one of our mentors. Presently, I have some other seasoned pastors who are prayerfully considering helping with our new Bible College program.

For those of you who are in driving distance of our

GIMI Headquarters here in Taylorsville, NC, we are hoping to resume our Thursday night classes in just a couple of months, this fall, if we have enough students to enroll. If we don't get enough classroom students this fall, then we will start the spring classes in January 2021.

My dear beloved friends, I beg you to really begin praying for the presence of God's Spirit upon our new effort with GIBC. We need the wisdom and power of God, and we need to have God's people praying for our students, for our mentors, and for every financial need to be met. We have a tremendous desire to help these people that God has called to serve Him and to keep reaching out to lost souls in whatever time we have left before Jesus comes. Truly, "the fields are white unto harvest, but the laborers are few"!

If you know of any person who is interested in serving God in full-time or part-time service, please have them contact us about the possibility of their becoming one of our students at GIBC. We really would like to help them discover God's will for their lives and to help equip them to become all they possibly can be for Jesus and His Kingdom. **Again, let me tell you that as long as we possibly can raise the funds, we are going to provide FREE TUITION for all of our students!** I really wish there would have been a GIBC with free tuition way back there when I went to the Bible College and Seminary. I remember those days going off to Fruitland Baptist Bible Institute with only \$2.00 in my pocket to buy a little gasoline for my 1952 Power-glide Chevrolet!

## New Spiritual Leadership Seminar DVDs Now Available!

I am not going to give you another long litany of my health problems as I have done before, but I do want to tell you that I still have a paralyzed vocal cord, which makes it so hard for me to speak these days. But, with the help of Jesus, during some of the days when my throat is not too bad, I am trying to preach and teach some on videos in order to provide some training materials for our African workers and also for those of you here in America that might like to become a greater spiritual leader for Jesus. I have just completed my first series, and I preached and taught from the book, which I wrote, entitled "**Finishing The Task God Has Given Us**". This is a twelve session series with 16 dvds, which I genuinely believe God will use to bless your life, inspire you, and also help you learn a tremendous amount of Biblical Truth that will better equip you for your service to our wonderful Lord and Savior. We now have this series

available in an album form. For those of you here in America, if you have the funds, we are asking that you give Gateway International Missions, Inc. a gift of \$25.00. If you don't have this amount, we will give you the set because we want to help you in your service for Jesus. If you do have the \$25.00, you can help us help some African preachers and teachers who truthfully have almost nothing.

So, if you would like to have a copy of this new set of teaching dvds, please contact our GIMI Office by email at [office@gatewayinternationalmissions.com](mailto:office@gatewayinternationalmissions.com) or by phone at **828-632- 2344**. I truly hope to hear from you very soon to request these videos, which I spent many hours preparing, even with my bad vocal cord! I truly want to help all of you who want to help yourselves!

### **My New Book Will Be Out Very Soon!**

Months and months ago, I began writing a brand new book. I know that most of you know just how much I love to write, and therefore, another new book wouldn't demand much interest in this day when we are bombarded with new books from everywhere. But this new book is quite the exception because of the subject matter of the book. Now, I in no way want to offend anyone by my new book, but because of the horrible racial and class problems we are now having in our country, some of you may get angry with this book when you read it. But, if you do get angry, then the proposition of the book will truly be borne out by your offense and anger.

For years and years, I have looked for some great theologian to exegete the story of Noah and his three sons, which is found in **Genesis 9 and 10**. I have longed for someone who would interpret these verses without a preconceived bias or without a fear of political and racial correctness, enough to get to the bottom of the truth. But folks, because of fear and bias, I have never found anyone who would make this attempt. But, many months ago, as I mentioned, I prayerfully started this great project at the risk of being misunderstood by some and even hated by others. But now, I am bringing this project to a conclusion.

In this book, which is entitled "**The Willful Ignorance and Blatant Denial of the Curse of Ham**", I have courageously "jumped in over my head" to try to interpret this great story which happened after Noah came out of the ark following the flood, planted a

vineyard and raised grapes. Then, when the grapes ripened, he took them and made wine, got dastardly drunk, lay down in his bed uncovered, and then opened himself up to a shameful and derogatory action by his son, Ham, who walked into Noah's tent and found him lying there naked. With a certain amount of glee, Ham ran outside and told Shem and Japheth, who then took a covering and backed guardedly into Noah's tent and covered up his shamefulness. As a result of this horrible event, Noah later placed a horrible curse upon Ham, but more so, upon his grandson called Canaan. And folks, from these three sons of Noah have come the three main races of the world, along with many mixed races as well. The truth of this story cannot be denied with any credibility, but only by willful ignorance trying to cover up the truth and by blatantly denying the truth of this terrible event. So, I have tried to be objective, but yet, very thorough and truthful about this passage of Scripture. I do want to say that these two chapters in Genesis are just as much a part of the inspired Word of God as is **John 3:16**. One cannot believe that **John 3:16** is the Word of God while at the same time disbelieving that the story of Noah and his sons is just a story that has been told from one generation to another.

I would like to offer you a copy of this new book, just as soon as it is completed, for a gift of \$25.00 to GIMI, if you have the courage to read every word of it. If you are courageous, just contact our GIMI Office at the e-mail address or phone number which I gave you in the previous discussion of my new dvd series, and we will send you the book just as soon as possible!

## **We Are Working On Our Next Mission Teams Trips To Africa for 2021.**

Folks, this year has been a very difficult time for planning and making mission trips to our African mission fields because of the horrible coronavirus, all of the shutdowns, the grounded flights, and the necessary social distancing. (Of course, the protestors and rioters walking hand-in-hand and arm-in-arm really didn't matter.) But, it was those old hard-headed pastors and churches that have caused so many problems!

But now, as I bring this newsletter article to a close, I want to tell you that we are taking some big steps of faith and moving ahead with planning our mission team trips for 2021. I am going to give you the projected dates for the next trips, and then, we will give you the particulars in the next newsletter. So, take a look at these projected dates, and prayerfully consider going on one of these wonderful trips.

1. March 8-21, 2021- Evangelism Trip to Uganda.
2. June 7-19, 2021- Medical and Evangelism Trip to Kenya.
3. October 4-16, 2021- Evangelism and Training Trip to Uganda-the DRC- and Rwanda.

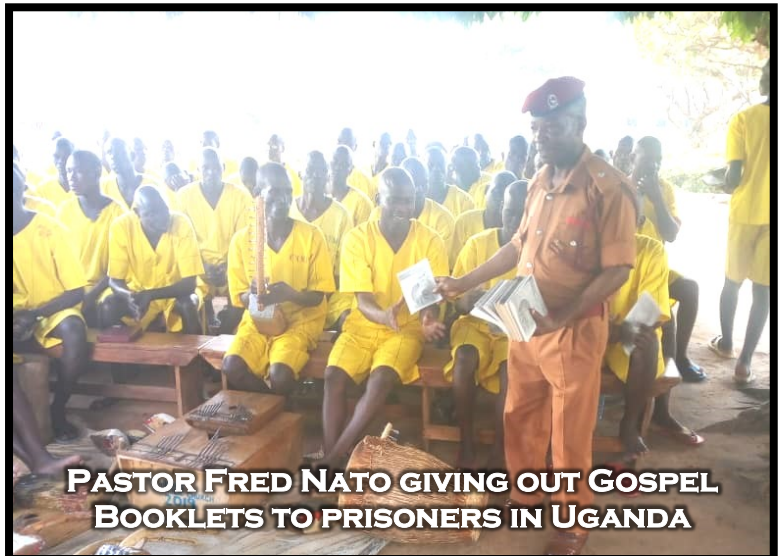

Let me close by asking every one of you who is a truly devoted and sold-out believer to sincerely consider joining us for one of these life-changing mission trips. Also, let me beg all of you to really pray for all of our teams that will be going. Pray for good health, safety in the air and on the roads in all the countries, and most of all, for a huge harvest of souls to come to Christ.

Thank you for your love and support, and please know that Jo Anne and I love and appreciate you so much! Thanks for being on our prayer and support team!

Still in the King's service,

*Dr. Stan Frye*  
President of GIMI
