FROM THE PRESIDENT'S DESK...

Dear Beloved Friends and Supporters of GIMI,

Blessed New Year greetings to you in the precious name of Jesus! I fervently pray that you and your family, and also your church family, are well and still safe as we begin 2021, and that your lives are being blessed tremendously, in spite of all that the entire world has gone through since almost this same time one year ago. Never in Jo Anne's and my lifetime have we ever faced anything like this horrible, China born and bred, Covid 19 pandemic, which the entire world has been dealing with. But, we do know that God's people in the Old Testament went through many plagues, droughts, famines, and cataclysmic ordeals. We also know that in the days of the New Testament and even in the past years and years, God has allowed much suffering in the world. The sad thing is that most of these terrible cataclysmic happenings have occurred because of the rebellion and defiance against God. Even with the sad deaths of so many wonderful people, many of which have been our friends, God has been trying to get our

attention and speak to our hearts about repentance and returning to Him before it is everlastingly too late. For years and years I have preached about the soon return of our wonderful Savior and Lord, and what we have witnessed in the world this past year is just a great indication that Christ will soon be here. Until He does come as I have so often stated, we need to be busy telling the entire world about our Lord Jesus Christ and that He alone is the only way to get saved and become a child of God. I say without any reservation that Jesus Christ is the only way to go to heaven; not Buddah, not Mohammed, not Mormonism, not the Jehovah's Witnesses, not Hinduism, not any person or any religion! Only Christ can open the door to heaven for each of us, and with the horrible things we have endured during this past year of uncertainty, we must declare what our Lord declared in **John 14:1-6**. Please notice these words, ***"Let not your heart be troubled: ye believe in God, believe also in me: In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. And whither I go ye know, and the way you know. Thomas saith unto Him, Lord, we know not whither thou goest; and how can we know the way? Jesus saith unto Him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."***

When Jesus told Thomas and the other disciples that He was the way, the truth, and the life, He was saying that He was the way, the only way; the truth, the only truth; and the life, the only life. In other words, Jesus was saying to the early disciples, and to every generation of believers since, that He was and is the only way to heaven, the only perfect truth, and the only life worth

living. What Jesus was saying is that He is indeed the Incarnate Son of God, Who alone had come down to this earth from heaven to show His perfect Deity and Humanity to all of mankind. Therefore, no one can ever go to heaven unless he or she comes through Jesus, because He is the way. Then, He was saying that not only had He come to reveal His perfect Deity, but He also came to reveal to those who really wanted truth that He alone was that truth. And then, He came to offer to every person on earth the only genuine life that was worth living. Thus, Jesus is the way to heaven, the only truth that is perfect in every way, and the only life worth living now in this earthly world. He offers eternal life to every person who will put his or her trust in Him!

So folks, as we get started in this brand New Year, we must be busy telling the lost world about Jesus, Who is the only way, the only truth, and the only life. As we continue to move toward hopefully the defeat of this horrible pandemic by prayer and by utilizing the offered vaccines, the main thing on our minds as believers should be taking the message of Christ to those who have been shockingly awakened to face the reality of death. We must carry out the Great Commission while we still have time! I would like to use once again the verses I used in our last GIMI newsletter about the white harvest, which is before us. Please meditate upon the following verse. ***"Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you Lift up your eyes, and look on the fields; for they are white already unto harvest."*** (Luke 4:35)

You see folks, the fields are truly white unto harvest, but the laborers are few. Please read carefully the following words from Jesus. ***"Then saith He unto His disciples, The harvest truly is plenteous but the laborers are few; Pray ye therefore the Lord of the harvest, that He will send forth laborers into His harvest."*** (Matthew 9:37-38)

A Special Note About The Photo On The Cover Of This Newsletter

I would like to share some information with you about the wonderful photo on the front page of this newsletter. I hope you will really pay attention to this wonderful lady and her sweet little triplets, which she gave birth to back in August of 2020. This lady's name is Uwera Nyiramakoma, and she had been a prisoner in a large prison in the city of Goma in the DR Congo until her triplets were born. Then, she was released from prison with the three new babies.

Uwera had been put in prison last March because she lied about her husband who is a known terrorist in the northeast mountains of the Congo. The government had been trying to find her husband for a long time, and when they came to interrogate Uwera, she lied about where her husband was. They then put her in prison for lying. When she came to prison, she was pregnant with the triplets, and I believe they were just trying to get her to tell where her husband was.

While in prison last May, our DRC Country Director, Israel, went to the large prison where Uwera was imprisoned to preach the Gospel. During the evangelism service there, Uwera gave her heart to Christ, and shortly thereafter, she was baptized as a new believer. Truly, her life was now changed forever!

Following her conversion to Christ, later in August, it came time for her babies to be born. The babies were born, and the DRC government released her to go home to a house without a husband, where she would need to take care of the three new babies, plus some other children that she has. Now, she is at home needing our help to take care of her and her entire family. No one knows what's ahead for her with her husband, but we do know that she is truly in need of our help. I want to appeal to all of you on our support team to help us provide some support for Uwera and all of her children. It was truly a terrible thing that she had to go to prison, but God used this terrible ordeal to save her. So, we as God's people must do our best to share the love of Christ with her and her children during these dark days.

I would like to add that over the past two years, GIMI has lost three preachers in this same area by murder. These terrible militant thugs have killed these men of God. Presently, we are helping to sponsor two of the wives and children. I do pray that God might touch your hearts to give generously toward helping these suffering ladies and children. Please notice the following two verses from **James 2:15-16**. ***"If a brother or sister be naked, and destitute of daily food, And one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit?"*** In other words, it is time that God's people do more than just "talk the talk". We must "walk the walk" of showing the love of Christ to those who are suffering, as we also share the Gospel message with every one of them!

Folks, if you can help support these precious suffering ladies and children, I know that God will pour out His blessings upon you for your faithful giving to these whom God has brought to us for our help!

Just Another Reminder: Thousands Of Souls Are Coming To Christ Through The Ministry Of GIMI!

As the President of GIMI, I spend many days and often many nights praying for wisdom on how to lead this great ministry to reach more and more souls for Christ. Surely, God has genuinely blessed the efforts of our national workers, and yes, our few staff people here in America. Then too, before this plague came to the world, God was using our many American Mission Team Members in a mighty way as they were making short-term mission trips to our fields of ministry. God has truly used our mission teams and all of our national workers over the past 20 years, since Jo Anne and I were given this great ministry by God. I want to tell you that this work is not a huge organized heavily structured entity with a huge costly overhead, but we are a ministry, which our great and mighty God has chosen to bless beyond description. We want to give Jesus the praise for everything that has been accomplished during these 20 plus years. So that you can celebrate with us as we begin a brand New Year, I want to share with you that over these many years, GIMI has shared the Gospel message with more than 12.6 million people with over 3.4 million people making first-time decisions for Christ. Just during this past year, GIMI has shared the Good News of Jesus Christ with over 600,000 people with over 150,000 people praying to receive Christ as personal Savior! We just praise the Lord for His saving power! And folks, we never could have seen such a great harvest without so many of you helping us on a regular basis. And during these past 20 plus years, GIMI has given over 34 million dollars worth of humanitarian items to all of our African fields of ministry. We never could have done this without dear friends like you helping us so regularly. Jo Anne and I want to thank each of you GIMI Team Members for what you have given. You indeed will share equally in the rewards for the souls that have been saved and the lives that have been changed; especially in the lives of thousands and thousands of prisoners, students, and orphans. What a privilege it has been to have you investing in this wonderful work for Jesus!

**A CHRISTMAS COW
IN UGANDA**

Our Wonderful Christmas Celebrations Reaped A Huge Harvest For King Jesus!

As we continue to think about the thousands of people that have been saved over the past 20 plus years through our GIMI Ministry, I would just like to tell all of you about the wonderful harvest of souls God gave us during our Christmas parties in our different African countries and in the Ukraine. This past Christmas was one of the best and most fruitful Christmas harvests that we have ever had. God truly blessed the preaching of the Gospel, and it was such a privilege to be able to provide so much humanitarian assistance to thousands of hurting prisoners, refugees, and orphans.

Because so many of you so graciously helped us, we were able to purchase 40 cows that were killed and prepared for dinner on Christmas day in our Ugandan prisons. These precious people only get meat about one or two days per year. In addition to the meat in the prisons, we were able to provide a huge amount of humanitarian aid in all of our countries. This aid consisted of rice, beans, bread, bananas, sugar, salt, cooking oil, soap, cleaning chemicals, blankets, mattresses, materials for ladies' dresses, masks to prevent spread of the Covid 19 virus, hygiene products for ladies, toothpaste, and toothbrushes. We were also able to provide cookies for the prison children and orphans. Truly, God blessed in a marvelous way, and we give Him the glory and praise for everything that was accomplished for Him. We just could not have carried out this great endeavor without your support, and most of all, without God's presence in everything we tried to do for Jesus. Those of you who helped us celebrate Christmas by giving gifts so generously will share in the same rewards that all of our preachers and teachers receive for the souls that came to Christ!

Another Reminder About Our New Spiritual Leadership Seminar DVDs That Are Now Available!

I am not going to give you another long litany of my health problems at this time, as I have done before, but I do want to tell you that I still have the paralyzed vocal cord, which makes it so hard for me to speak these days. I was supposed to have vocal cord surgery on December 1, 2020, but I got extremely sick and could not have the surgery at that time. However, with the help of Jesus, during some of the days when my throat is not too bad, I am still trying to preach and teach some on dvds in order to provide some training materials for our African workers, but also, for those of you here in America that might like to become a greater spiritual leader for Jesus. I have just completed my first series, and I preached and taught from the book, which I wrote, entitled **"Finishing The Task God Has Given Us"**. This is a twelve session series with 16 dvds. I genuinely believe God will use these to bless your life, inspire you, and also, help you learn a tremendous amount of Biblical Truth that will better equip you for your service to our wonderful Lord and Savior.

We now have this series available in an album form. For those of you here in America, if you have the funds, we are asking that you give Gateway International Missions, Inc. a gift of \$25.00. If you don't have this amount, we will give you the set because we want to help you in your service for Jesus. But, if you do have the \$25.00, you can help us help some African preachers and teachers who truthfully have almost nothing. So, if you would like to have a copy of this new set of teaching dvds, please contact our GIMI Office. **Our office telephone number is 828-632- 2344. I truly hope to hear from you very soon to request these videos, which I spent many hours preparing, even with my bad vocal cord! I truly want to help all of you who want to help yourselves!**

Before moving on, I do want to tell you that I am hoping to complete some more dvd series on Revival and the Seven Churches in the Book of Revelation very soon, if my voice will allow it.

My Book On The Curse of Ham Is Still Available!

Months and months ago, I began writing a brand new book. I know that most of you know just how much I love to write, and therefore, another new book wouldn't demand much interest in this day when we are bombarded with new books from everywhere. But this new book is quite the exception because of the subject matter. Now, I in no way want to offend anyone by my new book, but because of the horrible racial and class problems we are now having in our country, some of you may get angry with this book when you read it. But if you do get angry, then the proposition of the book will truly be borne out by your offense and anger.

For years and years, I have looked for some great theologian to exegete the story of Noah and his three sons, which is found in **Genesis 9 and 10**. I have longed for someone who would interpret these verses without a preconceived bias or without a fear of political and racial correctness enough to get to the bottom of the truth. But folks, because of fear and bias, I have never found anyone who would make this attempt. But, many months ago, as I mentioned, I prayerfully started this great project at the risk of being misunderstood by some and even hated by others. But now, I have brought this project to a conclusion.

In this book which is entitled, **"The Willful Ignorance and Blatant Denial of the Curse of Ham"**, I have courageously "jumped in over my head" to try to interpret this great story which happened after Noah came out of the ark following the flood, planted a vineyard, and raised grapes. Then when the grapes ripened, he took them and made wine, got dastardly drunk, lay down on his bed uncovered, and then opened himself up to a shameful and derogatory action by his son Ham, who walked into Noah's tent and found him lying there naked. With a certain amount of glee, Ham ran outside and told Shem and Japheth, who then took a covering and backed guardedly into Noah's tent and covered up his shamefulness. As a result of this horrible event, Noah later placed a horrible curse upon Ham, but more so, upon his grandson called Canaan. And folks, from these three sons of Noah have come the three main races of the world, along with many mixed races as well. The truth of this story cannot be denied with any credibility, but only by willful ignorance, trying to cover up the truth, and by blatantly denying the truth of this terrible event. So, I have tried to be objective, but yet, very thorough and truthful about this passage of

Scripture. And, I do want to say that these two chapters in Genesis are just as much a part of the inspired Word of God as is **John 3:16**. One cannot believe that John 3:16 is the Word of God, while at the same time disbelieving that the story of Noah and his sons is just a story that has been told from one generation to another.

I would like to offer you a copy of this new book for a gift of \$25.00 to GIMI, if you have the courage to read every word of it. If you are courageous, just contact our GIMI Office at the e-mail address or phone number, which I gave you in the previous discussion of my new dvd series, and we will send you the book just as soon as possible!

We Are Working On Our Next Mission Team Trips To Africa for 2021.

Folks, this past year has been a very difficult time for planning and making mission trips to our African mission fields because of the horrible coronavirus and all of the shutdowns, the grounded flights, and the necessary social distancing. (Of course, the protestors and rioters walking hand and hand and arm in arm, really didn't matter. But, it was those old hard-headed pastors and churches that have caused so many problems!)

But now, I want to tell you that we are taking some big steps of faith and moving ahead with planning our mission team trips for 2021. I am going to give you the projected dates for the next trips, and then, we will give you the particulars in the next newsletter. So, take a look at these projected dates and prayerfully consider going on one of these wonderful trips.

1. March 8-21, 2021- Evangelism Trip to Uganda
2. June 7-19, 2021- Medical and Evangelism Trip To Kenya
3. October 4-16, 2021- Evangelism and Training Trip to Uganda, the DRC, and Rwanda

Let me close this section by asking every one of you who is a truly devoted and sold-out believer to sincerely consider joining us for one of these life-changing mission trips. Also, let me beg all of you to really pray for all of our teams that will be going, if the virus pandemic is killed by God. Pray for good health, safety in the air and on the roads in all the countries, and most of all, please pray for a huge harvest of souls to come to

Christ!

Thanks for your love and support, and please know that Jo Anne and I love and appreciate you so much! Thanks for being on our prayer and support team!

A Tribute To One Of The Greatest Pastors That God Ever Gave To The World!

Back in the year of 1984, my wife, Jo Anne, and I went through one of the most difficult times of our 55 years of full-time ministry in service to Christ. We were leading a church in Lynchburg, Virginia when terrible problems arose in our church, which resulted in our bringing our little family back to Taylorsville, where we both had grown up. We left the church in Lynchburg because we just didn't want our family to continue to go through such heartache and hurt. So, we decided to come home to Taylorsville. We moved into a small rental house near East Taylorsville Baptist Church. It was then that God brought Pastor Gary Jennings and his dear wife, Linda, back into our lives for the second time. Pastor Gary and Sister Linda so graciously opened their arms to our family, and they welcomed us to their church with love and much respect. Over the next many years, Pastor Gary and Linda became probably the best friends that we have ever had during our years of service for the Kingdom of God. Our relationship began to grow and after all of these many years, we literally have cherished this unique family relationship. And, since last weekend when we learned that Pastor Gary had gone on to heaven, we have cried many tears because Brother Gary was truly one of the greatest pastors that God ever gave to the world. Alexander County, North Carolina is a better place to live because of the great work that Pastor Gary and Linda Jennings gave to our county and community. Every citizen in this county, especially those who are Christians, will be benefiting from the life and ministry of Brother Gary

and Sister Linda for years to come! And, while they have been here in our county, God has given them a beautiful family; one of which both of them were and will ever be grateful. I have no doubt but that when Pastor Gary arrived in heaven that scores of people he had helped to bring to Christ met him to offer their eternal gratitude.

Pastor Gary and I were the same age, but I literally loved and respected this great servant of God as if he were much older than I. Why? Because his character and service were so outstanding and distinguishable. Let me give you some of the great character traits of Pastor Gary Jennings. These traits made me love and respect him beyond description.

The first thing I will mention is that Pastor Gary was a great preacher. He preached directly from God's Word, and he always made every passage of Scripture very easy to understand and applicable to our lives. Sometimes he used humor and told some funny stories, but this humor and these stories only verified everything he was preaching. Every time you heard Pastor Gary preach, the truth of his messages just caused you to not be able to wait for his next sermon.

Also, Preacher Gary was one of the most genuine men and servants of God that ever walked on God's earth. He was down to earth, and he always had an "others first" attitude toward every person he met. There was no arrogant or egotistical attitude with Brother Gary. He was always the same out of the pulpit as he was in the pulpit. But also, he was not afraid to preach the truth, and yes, even speak the truth when it was needed outside the pulpit; even if some people didn't particular like it. Truly, he spoke with much love and authority when he helped fight the curse of alcohol here in our county. And, everything he taught us about alcohol has been affirmed over and over with the deaths of so many people in this county down through the years because of people driving drunk. Surely, Pastor Gary fought for the lives and souls of every person in the Taylorsville area.

Another great character trait of Pastor Gary was his genuine humility. Gary was not a religious ladder climber, and in fact he, like me, didn't have the desire to spend much time with these religious ladder climbers who were more interested in glorifying their names more than the name of Jesus! I will say that in over 55 years in the ministry, I have witnessed a huge amount of this egotistical ladder climbing by pastors and preachers all over the world in the places where I have gone. Pastor Gary's humility gave him a tremendous teachable spirit, which seems to be gone from many church leaders in our new generation.

In addition, Pastor Gary had a love for sinners, and he

was passionate about winning lost people to Christ. His passion was born from the compassion in his heart that was there because of his intimacy with Christ. Why, even this very day as I write this tribute to Brother Gary, I have been thinking about the many outdoor crusades that the churches here in Alexander County conducted. And, Pastor Gary was always one of the strong leaders in these outreach efforts. Then too, Pastor Gary was never too busy to reach out to hurting individuals. Thus, he spent thousands of hours counseling individuals and families here in the Taylorsville area during the 30 plus years of his pastoral service and ministry. He was never too busy to open his heart and door to hurting people, unlike so many modern pastors who require reservations for even the smallest moment of time spent with someone hurting! You might say that Pastor Gary Jennings was very approachable; thus, this being the reason for so many people desiring to see him constantly!

I would like to also add that Pastor Gary Jennings was a man of integrity and complete honesty. If Brother Gary promised to do something, he never broke that promise unless some emergency got in the way. Whatever Pastor Gary told you, you could count on it. But, in this modern era, I know very few preachers or pastors who have integrity like Pastor Gary. When Paul the Apostle wrote the church at Corinth, he mentioned some profound truth that was so demonstrated by Pastor Gary while he lived on this earth. Please notice these words, ***"Therefore, seeing we have this ministry, as we have received mercy, we faint not; But have renounced the hidden things of dishonesty, not walking in craftiness, nor handling the Word of God deceitfully; but by manifestation of the truth commending ourselves to every man's conscience in the sight of God."*** (II Corinthians 4:1-2) I have written a commentary on II Corinthians. Please notice my interpretation of these verses. ***"Because of God's mercy toward Paul in bringing him salvation and because of His merciful choice in choosing him for His ministry, the apostle made a big decision. That decision was to renounce the hidden things of dishonesty, craftiness, and handling the Word of God deceitfully. Paul wanted his life to back up everything he preached with purity and integrity. He would not entertain any dishonesty or deception in his ministry. Paul wanted to have a spotless testimony so that he could manifest his life and ministry to all men with a clear conscience. He just didn't want to leave any opening for people to be able to criticize him or his ministry with any credibility."*** This is exactly the way Pastor Gary Jennings wanted his life and ministry to

be. And folks, this is truly the great testimony that he demonstrated while here on earth in ministry.

Well, I could go on writing for days about the tremendous character of Pastor Gary and his entire life of ministry. But, I will just close by saying that this earth is a better place because God called Gary Jennings from Kingsport, TN to Taylorsville, NC more than three decades ago to be the pastor of a congregation, to be a servant to God and our county, and to love his family and friends unconditionally. I know that my family and I are much better because of the impact Pastor Gary made on our lives during the years we fellowshiped with him. And now, heaven is a much greater place since Pastor Gary went home to be there. I truly long for the day when we meet Brother Gary again! I want to say to Sister Linda that Jo Anne and I love you and your family so very much, and if we can ever help you in any way, we are here for you! Thanks for allowing Pastor Gary to so impact our lives!!!!!!

"The Tragic Evil With The 2020 American Election"

As all of you GIMI friends know very well, back in November, our American nation went through a terrible time with trying to have our Presidential election and also, many other elections as well. At the time I am writing this newsletter in mid-December, we still don't know for sure who will be our next President because of the evil corruption that has been going on with this election effort. Truly, we have some of the most wicked people on earth in the Radical Democratic Party that America has ever seen. Now, let me be quick to tell you that I was born and brought up in the South. And, I can tell you that years ago, some of the most conservative Christian people on earth were Democrats in the South. Why, when Jimmy Carter ran for our President, I even encouraged my church at that time to vote for him because he said that he was a born-again believer. Yet, we know now that he wasn't a dedicated Christian, but he was probably helping to lay the foundation for the Radical Left Democrats that we are seeing now.

I do want everyone to know that years ago the Southern Democrats were good God-fearing people who ran the farms and agricultural businesses with integrity. But now, the old Democratic Party has been hijacked by these evil radical left-wing socialists, like A.O.C. and her defiant squad. These evil hypocrite politicians are some of the most evil people on earth. I say this because for four years they have done everything evil to get rid of President Trump, and they never show one sign of being conscious of their lying, their corruption, and their diabolical behavior. Therefore, they obviously have been turned over to reprobate minds with no conscience of wrongdoing. These people have as their leaders people like the evil Nancy Pelosi, defiant Chuck Shummer, lying Adam Schiff, hateful Eric Swalwell, the diabolical Maxine Waters, the vicious Diane Feinstein, hypocritical Richard Blumenthal, the twisted Sheldon Whitehouse, the racist Cory Booker, totally stupid Mazie, Hirono, Governor Roy Cooper here in North Carolina, and many more, including perverted Kamala Harris and yes, twisted and fickle wind-tossed criminal Joe Biden. These are some of the most evil people on earth, and yet, because of the corruption and evil plan of all of these people, there has been a huge plot to use fraud and blatant evil to overthrow our most recent election. It is very sad to know that our DOJ under William Barr, and the FBI under the cowardly Christopher Wray, have done nothing to truly investigate this election fraud. Instead of investigating this evil, these evil and not just departments have been either paid by evil people, or they have been promised great things to just not look into this election farce. These people are tools in the hands of socialists, or even Communists. Regardless of what they tell you, they don't love this country. Instead they only love this country if they can have the power to destroy it!

Also, I want to tell all of you that I don't know for sure if Donald J. Trump is saved or not. Sometimes he says he is, but then he negates what he says by his profane mouth or perverse social media statements. But, I can readily tell you that I believe President Trump was "brought to the Kingdom for such a time as this", just like Esther in the Old Testament, and also, like Cyrus, the Persian lost King who was used by God to send forth the decree to let the nation of Israel return from Babylonian Captivity to their homeland in Jerusalem! President Trump came by God to the Presidency to bring about the following wonderful things for our American nation. And, it is because of how God used him in his first four years of office that these demonic illegitimate politicians, and yes, the evil China sponsored warped media and Big Tech power grabbers hate President Trump and have tried to get him out of office by a coup led by Barack Obama and Joe Biden and by the lies about Russia and all of the other concocted lies proclaimed by the many evil Democrats I have already mentioned. But, in spite of terrible opposition, President Trump did more in four years than any other president in the history of America. Let's look at the wonderful things he did for our American people:

1. First of all, he has boldly stood for not killing babies through abortion.
2. Second, he has boldly declared his love and respect for Israel by moving the American Embassy to Jerusalem and by reclaiming the Golan Heights for Israel.
3. Third, he has worked nonstop to bring Israel and many Arab countries together into a genuine peace agreement.
4. Fourth, he has done more to help the black and Latino communities than any previous president in history.

5. Fifth, he has built a wall on our southern border with Mexico to help stop the overflow of illegal aliens coming into our country.
6. Sixth, he has worked nonstop to rebuild our American military in every area.
7. Seventh, he has given more assistance to sick Veterans than anyone, in order to get sick Vets to the doctors before they die.
8. Eighth, he has done more to help provide a program to help incarcerated inmates out of prison, reformed, and re-assimilated back into society.
9. Ninth, he has done more to remove the many restrictions to allow and promote drilling for oil and fracking, which has helped our economy.
10. Tenth, he has done everything he can to not enlarge and engage our troops in foreign wars and conflicts.
11. Eleventh, he has done a huge amount of work to help our nation during this terrible Covid 19 pandemic. This includes the tremendous work in the "Warped Speed" program to get the vaccines to help stop this horrible disease.
12. Twelfth, he has given more support to Christians than any other president in history. Although he may not be saved for sure, he truly has a great respect and support for believers in Jesus Christ.

Now, before bringing this section to a close, I want to not only blame the radical left Democrats for the terrible election mess we have been in, but I want to point out that one of the biggest contributions to the hatred of President Trump and the fraud in our recent election has been the “all-talk and do-nothing” Rhino Republicans who have helped to bolster the false arguments of the Radical Democrats by their silence and political correctness in order to not offend anyone. Some of these phony hypocritical hirelings are Senators Thom Tillis, here in North Carolina, Lindsey Graham in South Carolina, Mitch McConnell in Indiana, Mike Lee in Utah, Mitt Romney in Utah, Susan Collins in Maine, Lisa Murkowski in Alaska, Ben Sasse in Nebraska, Joni Ernst in Iowa, and other politicians like Congressman Kevin McCarthy in California, and Governor Brian Kemp in Georgia, Secretary of State Brad Raffensperger in Georgia, Geoff Duncan, Lt. Governor of Georgia, Congressman Patrick McHenry here in North Carolina, Governor Mike Dewine of Ohio, Governor Pete Ricketts of Nebraska, Senator Marco Rubio in Florida, Governor Chris Christie of New Jersey, and several other middle-of-the road do-nothings that absolutely would betray Jesus if they might get a boost politically. To repeat it another way, we have so much corruption in the leadership of our country that these weird politicians stand for nothing and will fall for anything if they think their silence and no stance will make themselves look non-threatening!

So, we have a horrible mess in our country, and if we don't get this fraud election mess corrected, there will never be a fair election ever again in this great America; the land of the free and the home of the brave.
